BORN TO WORK

**Description:** Black water repellent printed ankle boot, **SANY-DRY®** lining, anti-shock, antistatic, slipping resistant, non metallic **APT Plate** midsole **Zero Perforation** 

**Plus: METAL FREE. EVANIT** footbed, made of EVA and nitrile special compound, with high bearing capacity and variable thickness. Thermoformed, punched and coated with highly breathable fabric. Antistatic thanks to a specific treatment on the surface and to seams made of conductive yarns. Dual density PU with an aggressive style. The prominent toe cap and heel area protect the upper from wearing and abrasion. Protection with adjustable velcro closure, without laces

Suggested uses: Footwear for welders

**Care and maintenance:** Clean after each use and dry off away from direct heat. Avoid contact with aggressive chemicals or extreme temperature. Avoid immersion in sea water, lime water or cement mixed with water
